PURPOSE:

- To provide the Commissioner with information regarding concurrent Support Freedom Convoys in area in Manitoba

ISSUE:

- Freedom Convoy Support demonstrations are continuing in many jurisdiction in Manitoba
Update for February 14th 2022 1500hrs.

BACKGROUND:

- The Support Freedom Convoy was created as a means for truckers and others to demonstrate against cross-border Covid vaccine mandates and in support of the Freedom Convoy in Ottawa.

CURRENT STATUS:

- As of 1500hrs the Emerson POE remains blockaded. All other POE within Manitoba remain open and have no protest activity.

- Earlier this date, generators and other equipment was brought to the site by protesters for the purpose of cold weather starting of the farm equipment. The camper trailers that were at the Visitors Centre were moved from that parking lot to the point.

- Division Liaison Team , site commander and DANCO made efforts to communicate with protest leadership. The lawyer (Overwater) has advised DLT that she is considering ending her representing protesters citing some differing opinions and positions from some of the leaders of the protest. DLT/site commander and DANCO will continue to identify "decision makers" within the group. This may be an effort to stall/delay police operations.

- Protesters continue to allow movement of all livestock transport, CBSA employees, emergency services vehicles and not impeding residential traffic from the town of Emerson.

OTHER KNOWN/PLANNED EVENTS:

- The demonstration/occupation at the Manitoba Legislature is still ongoing. Organizers at this location have made an announcement on demobilizing the demonstration based on recent announcements from the Premier committing to easing of restrictions and certain vaccine requirements.

STRATEGIC CONSIDERATIONS:

- Situations are on-going and will be continuously monitored. At present D Division has sufficient resources available to manage these concurrent events.

- D Division Criminal Operations and Manitoba East District plan to initiate staged efforts toward a take-down of the blockade as early as 2022-02-15 should blockade remain:

- * continued gathering of intelligence and information , preparation of protester org chart, target sheets, etc.

- * provide protesters written information on possible charges and asset seizure (Prov. and C.C. Same has already been verbally provided.

- * consider issuance of Provincial Offence Notices

- * initiation of operational plan for take down of blockade (arrests, removal of equipment/vehicles as early at 2022-02-16

- D Division Communication is engaged with prepared messaging for the public and responses to media inquiries.
